El Chupacabras Adam Rubin 2018-03-27 From the bestselling author of *Dragons Love Tacos* comes a whimsical re-telling of the chupacabra folktale, written in a blend of English and Spanish A long time ago, a girl named Carla lived on a goat farm with her father, Hector. One night, a goat disappeared from the farm and turned up flat as a pancake. Only one creature could do that--El Chupacabras, the goatsucker! Legend has it that El Chupacabras is a fearsome beast, but you can't believe everything you hear...and sometimes the truth is even more interesting. Told in equal parts English and Spanish by bestselling author Adam Rubin, and cinematically illustrated by acclaimed Hollywood creature creator Crash McCreery, this lighthearted take on a modern legend is not told in the traditional bilingual style. Each sentence is half-Spanish/half-English followed by a repetition of the same line translated the other way around. This mirroring technique allows the languages to intermingle equally. A fun and unique way to introduce either Spanish or English to new readers. A note from author Adam Rubin: "I decided to tell this story in an unusual way to explore the beauty of harmony. It's easy to dismiss the unfamiliar, but compassion takes a little more effort. With so many people trumpeting divisiveness right now, it's more important than ever to teach kids that there is more than one way to understand the world."

Fans of Jon Klassen and Mo Willems's humor will gobble up this quirky ode to the lengths we will go to for our heart's desire. Praise for *Dragons Love Tacos*: *New York Times* bestseller A *New York Times* Notable Children's Book of 2012 "Rubin and Salmieri are two of the weirdest, funniest guys working in kids' lit today.

The team lets its geek flag fly in an obsessive how-to guide for would-be dragon taco party hosts. Why a taco party? As Rubin explains, 'The only things dragons love more than parties or tacos, is taco parties.' If further proof is required, Salmieri—whose poker-faced watercolor, gouache, and color pencil drawings set a benchmark for oddball observational humor—shows one odd, scaly creature with a carryout bag from 'Taco Cave' and another beaming with anticipation as it eagerly circles the date for a taco party on its taco-themed calendar. But beware: even if all the tips and rules are followed to the letter (on quantity: 'The best way to judge is to get a boat and fill the boat with tacos'), all will be for naught if spicy salsa makes its way into the taco filling. In fact, the dragons will bring a whole new meaning to 'housewarming.' Off-kilter fun for those who like their picture books (and salsa) zesty and fresh."—*Publishers Weekly*, starred review "Dragons Love Tacos is a heaping helping of silly. Little kids will relate to the anti-spicy bias and chuckle over Salmieri's watercolor and gouache cartoon illustrations showing literally boatloads of tacos and all sizes of dragons enjoying their favorite food at pool parties, costume parties and, well, taco parties." —*San Francisco Chronicle* "The perfect book for kids who love dragons and mild tacos." —*Kirkus Reviews* "The watercolor, gouache, and colored pencil cartoon illustrations are the real stars here. Regardless of, or perhaps because of, the absurdity of the story, this tale should be a big hit with anyone with an affinity for dragons." —*School Library Journal*

Imagine Juan Felipe Herrera 2020-10-06 A buoyant, breathtaking poem from Juan Felipe Herrera — brilliantly illustrated by Caldecott Honoree Lauren Castillo — speaks to every dreaming heart. Have you ever imagined what you might be when you grow up? When he was very young, Juan Felipe Herrera picked chamomile flowers in windy fields and let tadpoles swim across his hands in a creek. He slept outside and learned to say good-bye to his amiguitos each time his family moved to a new town. He went to school and taught himself to read and write English and filled paper pads with rivers of ink as he walked down the street after school. And when he grew up, he became the United States Poet Laureate and read his poems aloud on the steps of the Library of Congress. If he could do all of that . . . what could you do? With this illustrated poem of endless possibility, Juan Felipe Herrera and Lauren Castillo breathe magic into the hopes and dreams of readers searching for their place in life.
