Amber Hunt 2014-06-03 "I  
KILLED MY PARENTS."  
Seventeen-year-old Tyler  
Hadley posted an  
invitation on Facebook:  
party at my crib  
tonight. But this was no  
ordinary house party in  
the Florida suburbs; it  
was a grisly crime  
scene. Later that night,  
Tyler revealed to his  
best friend, Michael,  
that he'd bludgeoned his  
parents to death with a  
hammer. Michael didn't  
believe him...until he  
entered the master  
bedroom and saw the  
bodies of Tyler's  
parents on the  
floor—murdered, beyond  
the shadow of a doubt.  
"THEY DESERVED IT." Mary  
Jo and Blake Hadley had  
always known their son  
had a dark side. He  
would make disturbing  
jokes about murder on  
Facebook. He apparently  
idolized the infamous

Menendez brothers, who  
murdered their parents  
for money. But how could  
they have known their  
son was dead serious?  
What kind of person  
could kill his mother  
and father, throw a  
party with their bodies  
in the next room, and  
brag about it? This  
riveting account by an  
award-winning journalist  
takes you deep inside  
the mind of a troubled  
teenager—and behind the  
scenes of a true  
American nightmare...

**Redefining Normal** Alexis Black 2019-11-09 Growing up, they didn't believe they had a future. Together, they are building forever. Alexis Black persevered through her mother's death and her father's imprisonment. And after escaping a long and abusive relationship, the college junior promised her foster parents not to date for at least a year. But

when she meets an incoming freshman on the first day of their scholarship program, she feels the world melt away, as though it were only the two of them in the room. Justin Black lived in the poorest section of Detroit before his parents surrendered him to the foster care system at the age of nine. But when he grabs the chance for better opportunities by pursuing higher education, he can't help but be drawn to a beautiful third-year student. At first, their past traumas--and their age difference--conspired to complicate their attraction. But the joy each took in the other and eventually conquered those obstacles, and these two survivors journeyed together toward healing. In a stark and wholehearted true story that shares how two

individuals on separate paths found each other, Alexis and Justin merge their course into one full of hope and purpose. And hand-in-hand, with a desire to help others, they learned to reject the abusive patterns of their past, thereby intentionally breaking the cycle of generational violence and unhealthy behaviors. Written in an engaging novelistic style, the authors put forward a thoughtful exchange of ideas and personal experiences illustrating how anybody, no matter their backgrounds, can have a life of self-empowerment and joy. Broken down into four sections that cover crucial topics such as "Worthiness" and "Mental Health," this compelling narrative will help any who are learning to love themselves and want to end the line of toxic

relationships.  
Redefining Normal: How Two Foster Kids Beat The Odds and Discovered Healing, Happiness, and Love is a page-turning memoir that will open your eyes to possibilities and dreams. If you like honest tales of triumph, refreshing transparency, and resilient faith in God, then you'll adore Justin and Alexis' inspirational story. This story contains mentions of domestic

violence, trauma, sexual assault, and other difficult issues faced on the road to healing. Buy Redefining Normal to claim victory over harmful pasts today!
