China's Saints Anthony E. Clark 2011-04-07 The first book-length study of China's Catholic martyr saints, this work recounts the cultural, religious, and economic conflicts that unfolded during China's Qing dynasty (1644–1911). China's Saints considers closely the personal and public lives of both missionaries and Chinese converts lived during China's late-imperial era.

The Songs of the South Qu Yuan 2011-07-07 The Songs of the South is an anthology first compiled in the second century A.D. Its poems, originating from the state of Chu and rooted in Shamanism, are grouped under seventeen titles and contain all that we know of Chinese poetry's ancient beginnings. The earliest poems were composed in the fourth century B.C. and almost half of them are traditionally ascribed to Qu Yuan.

A Reading of the Canterbury Tales Bernard Felix Huppé? 1964-01-01 In the human comedy of Chaucer's Canterbury Tales the pilgrims react to one another. The tales they tell reveal their own characters and serve in turn to supply dramatic settings for other tales told in response. In the chronicle of their self-revelations and of their reactions to one another, a thematic design may be traced. Chaucer's art of high comedy has behind it a literary tradition of which it is the fulfillment. Briefly this is the thesis of Professor Bernard F. Huppé's *A Reading of the Canterbury Tales*. The book itself is the direct result of more than fifteen years of lecturing on the Canterbury Tales, during which time Professor Huppé's views on the dramatic structure of the tales have been modified, clarified, and sharpened through discussion with students and colleagues, and through his study of Chaucer's literary tradition. *A Reading of the Canterbury Tales* retains the freshness and immediacy of a lecture series. It is intended to be provocative and to stimulate

active discussion.

Elemental Summoner 1 D Levesque 2021-04-09 Alex was living the life. His life. He worked as a convenience store clerk to pay for his games and books. At 26 years old, he was living the high life of a loner. But a bullet hole in the head ended all that. There was only one problem: he wasn't supposed to die that day. Everyone has a time and a day that they are meant to die. That was not supposed to be Alex's day. So God gave him a choice. Option 1: Soul for soul. He could take the life of the person who was meant to die that day, become that person, and completely forget who "Alex" was. Or option 2: Keep being Alex, and transition to a world where magic was real, a world where God would give him the tools to survive. Alex, who loved fantasy stuff like a crack addict, picked Option 2. So God threw him through a black portal. Once on the other side, and on another world, little did Alex know that those tools would be the ability to use all five Elemental magics. Earth, Fire, Water, Air and

Mind. The kicker? The English language seems to trigger them. Now, Alex is in for a world of adventure as he jokingly called himself "The Elemental Summoner," but he didn't know that title was feared by everyone in the world of Boromour. Because once every thousand years, an Elemental Summoner was born who could wield all five Elementals magics and usually ended up destroying everything around them in their quest for power. Except, for Alex, the power is changing him as well. But, Alex meets sexy, and powerful in their own rights, monster girls who might just be able to temper his power to not become evil. This series contains the unabridged text (Meaning adult), mayhem, monster girls, fluffy tails, and just plain lots of magic.

2018-06-18 THE TAKEN - BOOK 4 Sloan Jordan's days are numbered. She has 139 to be exact. In that time, there's a lot to do: a missing friend to find, a wedding to plan, and her own murder plot to overthrow. When a lead takes the crew back to Chicago, the truth they uncover is more shocking than they ever imagined-to fight the enemies of the present, they must first face the demons from the past. THE SACRIFICE - BOOK 5 "Hello, Praea." There's only one being on Earth who calls Sloan Jordan by that name-her biological mother,

a demon named Kasyade. So why did she answer Sloan's best friend's phone? When Sloan reaches Adrienne Marx's apartment to investigate, all she finds is a half-written list of things to do before Sloan's wedding: 1. Order booze for the reception. 2. Send the final guest count to the caterer. 3. Register for gifts. 4. Don't forget to- That's where the to-do list ended. Mid-sentence with a scrawled line like Adrienne had been dragged away from the task. If Kasyade was involved in the abduction, Adrienne probably had been. The reason? Ransom. The price? Sloan's unborn daughter, the most powerful angel in all of history. But hell can't rival the fury of an angry mother protecting her child, and until the baby is born, her incredible power is Sloan's to wield. Now the prey becomes the predator as Sloan seeks to put an end to Kasyade forever. THE REGULAR GUY: A NATHAN MCNAMARA STORY They say the best things come to those who wait, and no one hopes that's true more than Special Operations Commander, Nathan McNamara. For

over a year, he's put his life, his career, and his mother's hopes for more grandchildren on hold to dive headfirst into a world he never knew existed. A world full of angels, demons, and enough sexual frustration to crack the Pope. But all that is supposed to be behind him, and his future looks bright and full of possibilities. That is, until a familiar chill ripples the atmosphere-- and a supernatural thunder rumbles over the mountains.

Her Soul to Take Harley Laroux 2021-10 Leon I earned my reputation among magicians for a reason: one wrong move and you're dead. Killer, they called me, and killing is what I'm best at. Except her. The one I was supposed to take, the one I should have killed - I didn't. The cult that once controlled me wants her, and I'm not about to lose my new toy to them. Rae I've always believed in the supernatural. Hunting for ghosts is my passion, but summoning a demon was never part of the plan. Monsters are roaming the woods, and something ancient - something evil -

is waking up and calling my name. I don't know who I can trust, or how deep this darkness goes. All I know is my one shot at survival is the demon stalking me, and he doesn't just want my body - he wants my soul. Her Soul to Take is book 1 in the Souls Trilogy. Although all the books are interconnected, they are stand-alone and can be read in any order. The Canterbury Tales Peter Ackroyd
2009-10-29 A fresh, modern prose retelling captures the vigorous and bawdy spirit of Chaucer's classic. Renowned critic, historian, and biographer Peter Ackroyd takes on what is arguably the greatest poem in the English language and presents the work in a prose vernacular that makes it accessible to modern readers while preserving the spirit of the original. A mirror for medieval society, Chaucer's Canterbury Tales concerns a motley group of pilgrims who meet in a London inn on their way

to Canterbury and agree to take part in a storytelling competition. Ranging from comedy to tragedy, pious sermon to ribald farce, heroic adventure to passionate romance, the tales serve not only as a summation of the sensibility of the Middle Ages but as a representation of the drama of the human condition. Ackroyd's contemporary prose emphasizes the humanity of these characters—as well as explicitly rendering the naughty good humor of the writer whose comedy influenced Fielding and Dickens—yet still masterfully evokes the euphonies and harmonies of Chaucer's verse. This retelling is sure to delight modern readers and bring a new appreciation to those already familiar with the classic tales.

Summoner's Gift Ariel Day 2018-11-29 All my life, I hoped magic was real. Now I'm bound to a sex demon, on the run from the law, and I'd give

anything to go back to believing magic was only in fairy tales. You know the story. Nerdy girl is in love with her hot Chris Hemsworth lookalike best friend, but girl ends up kissing a demon and binding her soul to his forever more. Wait--that's not how that goes? Well, that's my life. I've unlocked this world I never knew of, a world that had always existed but I'd never seen, when I kissed Alex and completed a spell. Now, whoopee, I'm a summoner. I mean, yeah, I was excited at first. What wierdo wouldn't want to be magic? Not me. Until I found out it was illegal. Just one more problem... okay, there's a few. One, Alex feeds off of sexual energy, and since he's bound to me, well, you guessed it: I'm his only source of food. Two, I have to bind with another man to balance my powers out. Three, have we mentioned I'm in love with my best friend? Four, I'm a virgin. If I don't get tossed into summoner jail, burn my house down around me, or get chased off a cliff by a horde of love-magicked men, I'm pretty sure I'll die of

embarrassment. Summoner's Gift is the first in this urban fantasy reverse harem series featuring snarky, nerdy Violet and her love interests: hot men from different magical dimensions, all with a different power to... share with her. Eddy is a tough but loveable bladesman, and they are joined by one of their mentors, Keryn Blackhart, a patriotic perfectionist who cannot be beaten with a rifle. Together, they embark on a quest that pans the wondrous world they have all grown up in. Only the Summoner can call forth the ancient sceptre of the Gods. This ancient artefact is said to hold the power to vanquish the Summoner's evil counterpart and restore peace, if only for a while. But something is different this time around and deep in Alizé's heart a horrible truth is beginning to emerge . . . In old times, a prophecy was made. It spoke of the two ancient lines of magic and how they once belonged to the one who the people of Ivane consider God. It tells of the two lines of magic

reuniting in one being, who will ultimately become a God among men. As Alizé and her friends reach their target, the heart wrenching truth is exposed. The true identity of the Sorceress is revealed, and the events that follow are truly catastrophic. When one inherits the essence of the Sorceress, their soul is twisted and corrupted beyond imagining. The darkness within becomes too strong and is unleashed, releasing chaos in its never-ending pursuit for power. It is a wicked burden to bear, and when Alizé inherits this unwanted gift, her soul is thrust into oblivion, and she emerges as the new goddess, forever thirsty for dominance. Now it is up to Alizé's boyfriend, Eddy, and his new friend Keryn to help Alizé. The only option seems bleak, and Eddy drowns in despair. But in a world where anything is possible, can there be a way to pull somebody back from the abyss? Do our heroes try and spit in the face of destiny? Or can destiny be changed? And if they do change destiny, then what?

The Book of Skulls Robert Silverberg 2018-05-08 How far will four friends go for immortality? This novel is Hugo and Nebula Award-winning author "Robert Silverberg at his very best" (George R. R. Martin). After Eli, a scholarly college student, finds and translates an ancient manuscript called The Book of Skulls, he and his friends embark on a cross-country trip to Arizona in search of a legendary monastery where they hope to find the secret of immortality. On the journey with Eli, there's Timothy, an upper-class WASP with a trust fund and a solid sense of entitlement; Ned,

a cynical poet and alienated gay man; and Oliver, a Kansas farm boy who escaped his rural origins and now wants to escape death. If they can find the House of Skulls where immortal monks allegedly reside, they'll undergo a rigorous initiation. But do those eight grinning skulls mean the joke will be on them? For a sacrifice will be required. Two must die so that two may live forever . . . Stretching the boundary between science fiction and horror, Robert Silverberg masterfully probes deeper existential questions of morality, brotherhood, and self-determined destiny in what Harlan Ellison refers to as "one of my favorite nightmare novels." This ebook features an illustrated biography of Robert Silverberg including rare images from the author's personal collection.

This book, first published in 1990, is a thematic analysis of five tales of early vernacular Chinese

literature. Interest in vernacular stories is increasing in the study of Chinese literature, as their importance is being recognised as a key part of the oral traditional narrative. From the analysis of the five Chinese tales in light of literary, historical, philological sources and folkloristic methodologies we may see to what extent tales of an intrinsically religious nature can offer meanings in the oral tradition.
