Max has organized an amazing gala opening for an exhibit of a genuine eighteenth century Chinese teahouse, and the *crème de la crème* of Charleston society is invited. In the exotic garden staged in the museum's rotunda, a Chinese dragon dances to the beat of drums as it weaves through the crowd. The guests are serenaded by a Chinese violin as they sample an assortment of tempting bites. And to give them a memento of the occasion, there's even a photo booth. But Theodosia makes a grim discovery behind the booth's curtains: the body of museum donor Edgar Webster. While Theodosia prefers tea service over the service of justice, this case is difficult to ignore—especially after Max becomes a suspect. Now she must examine the life of the fallen philanthropist and find out who really wanted him to pay up... **INCLUDES DELICIOUS RECIPES AND TEA TIME TIPS!**

Ulysses and Us Declan Kiberd 2010-06-03 In *Ulysses and Us*, Declan Kiberd argues that James Joyce's *Ulysses* offers a humane vision of a more tolerant and decent life under the dreadful pressures of the modern world. As much a guide to contemporary life as it is virtuoso work of literary criticism, *Ulysses and Us* offers revolutionary insights to the scholar and the first-time reader alike. Leopold Bloom, the half-

Jewish Irishman who is the hero of James Joyce's *Ulysses*, teaches the young Stephen Dedalus (modelled on Joyce himself) how he can grow and mature as an artist and an adult human being. Bloom has learned to live with contradictions, with anxiety and sexual jealousy, and with the rudeness and racism of the people he encounters in the city streets, and in his apparently banal way sees deeper than any of them. He embodies an intensely ordinary kind of wisdom, Kiberd argues, and in this way offers us a model for living well, in the tradition of the literature upon which Joyce drew in writing *Ulysses*, such as Homer, Dante and the Bible. 'Declan Kiberd's brilliantly informed and highly entertaining advocacy liberates Joyce's greatest book from the dungeon of unreadable masterpieces.' Joseph O'Connor
