His friends see Allison as little more than a trophy wife, his only daughter regards her as the enemy. With everyone so devoted to the memory of Burke's first wife, Kate, how can Allison possibly compete? Then a harrowing car crash leaves Burke badly injured. But it becomes achingly clear that the woman Burke wants by his side is the wife he lost . . . No longer able to dismiss the power Kate still holds, Allison can't resist reading a trove of hidden letters from Kate to Burke. What she discovers sets her mind reeling. A Teacup Collection Kathleen Morris 2015-03-17 In paintings as pretty as the porcelain they depict, this gift book celebrates one of the finest teacup collections in the world: the 300-piece

archive of the Clark Art Institute, which dates back to the eighteenth century and represents coveted designs of the day from Europe and China. Artist Molly Hatch, with exclusive access to this largely unviewed collection, pored over the details of each cup to create this visual treat. Including page after page of paintings of the

cups, and led off by introductory essays, this is both an intriguing reflection on the art of collecting and an utterly charming gift for tea drinkers and teacup collectors.
